

Alma's Shopping List

Estimated play time: Approximately 15 minutes

Number of players: Unlimited

Supplies needed: Scoring board/pad; noisemakers

Overview:

Overview: Alma is a great shopper, but a really bad speller. She's going grocery shopping today, but has misspelled every item on her list by one letter. Can you help fix her list? You must change one letter of each word, but cannot change the order of the letters. For example, if the word on Alma's List is nice, it could be changed to rice. All of the items on the list can be found in most grocery stores. They can be common brand names or generic names for grocery items.

Instructions:

There's no scoring on this game, just play for fun.

We strongly recommend that each word on Alma's list is written on a whiteboard or large pad of paper so every player can see it. If they have trouble coming up with an answer, you may want to tell them which letter is the one to be changed as a hint.
