

Compound Images

Estimated play time: Approximately 15 minutes

Number of players: Unlimited

Supplies needed: Scoring board/pad; noisemakers

Overview:

Can you find the six compound words that can be formed using the twelve images below?

Instructions:

Print (in the best quality printing available to you) the following two pages and pass them out to each player. If you want to save on the color printing, two players can share one document.

This game contains twelve pictures. Each should be paired with another picture to create a two-word phrase or a compound word (a single word that is made up of two smaller words, such as *hayloft* or *highway*). Please note: Each of the twelve images will only be used once.
